Subject: Exemption on suspension of Associations/Clubs for withdrawals from CAF competitions

Dear General Secretaries,

Due to the unforeseen conditions of the COVID19 pandemic, many teams announced their withdrawals from different competitions due to the travel restrictions imposed by certain governments and the non-availability of regular flights.

These withdrawals normally result into a suspension from following editions in addition to financial sanctions according to the competitions regulations.

CAF Executive Committee has decided in its meeting held in Yaoundé on 15th January 2021 to grant amnesty to all cases of withdrawals that have occurred starting from the month of March 2020 until further notice.

Please accept, dear General Secretaries, our sincerest regards.
