Mr Artur De Almeida Silva  
President  
Federação Angolana de Futebol

Zurich, 19 May 2020

Dear President, dear Artur,

It is with sadness that I learnt of the passing of your younger brother, Gouveia.

I know words seem inadequate to express the sorrow felt by the loss of a loved one. Someone so special as your brother was to you will never be forgotten. May the beautiful memories of the moments shared together bring some peace and solace in this difficult time.

Personally and on behalf of all your friends of the international football community, I would like to express to you and your family my sincerest and heartfelt condolences.

We are thinking of you and sending you strength and courage.

Yours sincerely,

Gianni Infantino
